**I have allotted time in between each session for awards to be distributed on the competition floor, but if awards happen to finish sooner, we can start the next session as soon as all athletes have "checked in" with their coaches. This will potentially allow for the final session to finish earlier than 8:55pm.

**Coaches, please remind your parents that, just as at Trials to AWG, parking and seating may be an issue during the overlap between sessions. Please advise them to be patient and understanding of this.
