RE: Preschool Classes

Notes:

It was recently brought to the attention of the AGF Board of Directors and then further discussed at the September 11, 2013 Board meeting, that member clubs are offering the educational component within their various Preschool classes. The issue pertaining to this involves providing insurance coverage (as required by the Provincial Government) under the current AGF insurance umbrella. Currently the educational component within the Preschool course/class is **not** recognized as a sanctioned AGF event.

After a lengthy discussion, the Board supports gymnastics being incorporated into the Preschool programming, but will not sanction the Preschool component (as defined by the Alberta Child Care licensing act) since the business associated with Preschool is controlled by the Provincial government and AGF cannot influence or regulate.

Clubs currently offering or planning to offer Preschool programs are encouraged to contact Toole Peet representatives Adam Thomson (athomson@toolepeet.com) or Dirk Moerkens (dmoerkens@toolepeet.com) to further discuss obtaining additional insurance.

AGF thanks you in advance for your attention to this matter.

Please contact the AGF office for additional information or concerns.
