RE: Personal Information Protection Act (PIPA)

## Notes:

After additional discussion with Service Alberta, they advised AGF that we should be using **Personal Information Protection Act (PIPA)** with the exemption of the Post Secondary Institutions (ie. University of Calgary and University of Lethbridge) who must still utilize **Freedom of Information and Protection of Privacy (FOIP)**.

- **PIPA** applies to provincial private sector organizations, businesses, and non-profit organizations. For more information on PIPA; <http://servicealberta.ca/pipa-overview.cfm>
- **FOIP** applies to public bodies which include all provincial government departments, agencies, boards and commissions. This also includes local public bodies such as municipalities, universities, school boards and others. For more information on FOIP; <http://servicealberta.gov.ab.ca/foip/>

Attached you will find the revised document.

If you have any questions or concerns, please do not hesitate to contact the AGF Office.
